

Sam Thompson

Objective

Operate as an organized editor with an efficient workflow. To communicate and collaborate with other team members while comfortably fulfilling deadlines. To output products of high quality that effectively tell a story and relay a message based on specific clients' needs, all the while conducting myself in an enthusiastic, professional and honest manner.

Work History

2005-Present Minneapolis, MN
Independent Filmmaker/Freelance Videographer
Produced, directed and edited feature films, short films, music videos, promotional videos and commercials.
Work independently and in conjunction with a wide variety of clients.
